

July 2010

Outside The Box, Inc. would like to announce the latest version of their highly acclaimed, award winning noise canceling headphones, the Plane Quiet Platinum Noise Canceling Headset with Solitude Technology (PQPV3)!

This headset is what our customers have been asking for and at the right price point, \$99.95 MSRP. With the new Solitude technology, this headset competes directly with the other brands that retails for \$299 or more! Please visit to our site, www.outsidetheboxgroup.com , to review the great features of this headset including a new detachable cord! Unlike our competitors headset, if your battery life runs out unexpectedly you are still able to use the audio function of the headset so you are not at a total loss!

A great gift idea for students headed for college , the business traveler and more!

If you would like to become a reseller of the Plane Quiet Platinum Noise Canceling Headset with Solitude Technology, visit our site today and contact our distributor, Jerry Radu, for reseller information.

Here is an added note, if you are interested in the status of the current status of our Solitude Headset redesign, visit our site and click on “repairs”, scroll down and read the latest updates in **RED**.
