“We’ve developed the Walkabout Lite 3 collection to provide an exceptional value to frequent travelers. The smart Walkabout Lite 3 collection is packed with a wide array of innovative features. The versatile 3-in-1 Suitfolder and Packing Board System is the perfect organizer, which includes a full suiter to neatly fold dresses and suits, a detachable packing board to strap down clothes and prevent wrinkling, and use this same packing board as a divider to separate his from hers, clean from worn clothes and shoes from toiletries. This fashionable luggage features a honeycomb frame that is lighter yet stronger than frames found on traditional luggage. This lightweight bag can be expanded on demand to gain up to 35% more packing capacity. Moreover, a handy zipped exterior side pocket on carry-on models can be used to store last minute items or turn it into an instant water bottle holder.

The Walkabout® Lite 3 collection is available in black and forest green fabric colors with a stylish light grey trim accent along the zippers.
