Glamour to pals | cinda b knows girls just want to have fun — and she makes it easy-breezy with a new card holder and matching pencil + brush bag in several sweetly patterned palettes. The card holder is sized a demure 4"W x 3"H, the card holder packs credit cards, debit cards, ATM cards, gift cards or business cards in pretty packaging. MSRP \$13. The pencil + brush is big with girls of all ages as a makeup bag or pencil pouch for school, and measures 8"W x 2"D x 2½"H. Both shown in Ravinia Ivory. MSRP \$19.

The green scene |

GreenSmart's NeoGreene Netbook Sleeve has more to it than meets the eye. With 4mm walls for optimal protection and minimum weight plus a specially designed gusset and mesh interior to breathe for your laptop, this waterproof slim sleeve helps your laptop quickly cool down. Neogreen, a replacement material for neoprene, is trendy proof that the greening of goods can be both a sophisticated and utilitarian expression of form, function and fashion. MSRP \$25.

Portable beverage holder elicits

'hallelujahs' | Cup-Pilot™, Inc., "The World's First-Class Portable Cup Holder" is an innovative, durable and compact cup holder that folds to stow in a rip-stop nylon pouch that can be stored in purses, briefcases, computer bags and backpacks. It also attaches to an airline seatback tray when it is closed, giving users a place to put their coffee while stowing bags, and attaches when the tray table is down so you can work without worry of spills. The Cup-Pilot™ can be attached to a zippered pocket on luggage and provides a handy way to bring beverages with bottle caps onto the plane while attached to the luggage. MSRP \$18.95.

Panache and protection |

Intica LLC, providers of fine watch accessories, is proud to introduce its line of watch travel cases to the luggage and travel industry. This sleek, supple and oh-so stylish line of bonded leather travel cases for watches, which provides travelers the ability to safely and securely transport their valuable timepieces without the fear of damage, offers a new sales opportunity for travel goods stores. Designed to eliminate damage due to searches by TSA, the cases hold one, two or four watches and are available in five colors and patterns, including black, brown, lizard alligator black and ostrich. MSRP \$69–\$89.

g2g code for got to go™ |

Miamica's g2g: got to go™ PDA case can be worn as a cross-body pouch, as a belt or as an ID lanyard. A stylish solution for women carrying a PDA, this original design offers an adjustable strap so it may be worn in a variety of ways to coordinate with outfits. No need to worry about wearing a masculine-looking clip or clamping the case to a dress; this trendy, feminine case may be worn as an accessory or its strap removed for tucking inside a bag or tote. The back of the case has a convenient, separate clear compartment to carry ID, office security card, credit cards or money and whimsical embroidery on the front with texting lingo adds a dash of fun. Sized 2.8"L x .75"W x 4.7"H, materials include different color PU fabric, including metallic and denim. MSRP \$14.99.

Chic shock absorber | Chic, sleek and layered security — the **OtterBox** for BlackBerry® Bold™ Defender Series™ is the first and final line of defense for your phone. This sophisticated safeguard wraps your Bold in three layers of protection: a thin, Thermal-Formed sheet covers the screen and keys; a strong polycarbonate shell gives added protection against drops and bumps; and a silicone skin wraps around it all to absorb shock. Slim, stylish and of superior quality, the case is as audacious as the Bold itself. MSRP \$49.95.

Smart cart | Travel Smart by Conair just raised the totability IQ with its Travel Smart® Compact Folding Multi-Use Cart. Compact for easy storage, the cart extends to 35.5" in height for easy traveling and supports up to 75 pounds. Its extra sturdy and lightweight construction with smooth-rolling 3" diameter wheels makes stacking and pulling luggage a snap. A bungee cord is included. MSRP \$39.99.

Book it! | The UltraOptix BKi-2LED | Booklight features an easy on/off switch and a push button to extend the swivel neck for easy viewing comfort so that light may be adjusted wherever needed. It requires three button cell batteries (included) and has a removable bookmark. Available in blue, black, red and titanium silver. MSRP \$9.99.

Impossibly elegant ID | The OWL TwoFold ID by Vallavista shines in 100% post-industrial leather. Sound like an oxymoron? After tanning and cutting, the leather shavings that would otherwise go into landfills are accumulated, ground and pressed into their present form, and bound with natural rubber. You won't find paper, wood or other fillers in these refined recycled leather ID tags — only beautiful reclaimed leather shavings re-tanned in natural organic vegetable tannins. Shown in red. MSRP \$19.50.

Video eyewear unveiled | Vuzix Corporation announces its latest innovation to the Video Eyewear market: iWear® AV310 Widescreen. This first-ever consumer iWear with a true widescreen 16:9 aspect ratio giving users a true home movie theater feel. The AV310 projects a virtual 52' screen from 9-feet and will run for five full hours on a single AA battery. Additionally, the AV310 offers independent focus adjustment, adjustable earbuds and nosepiece for unmatched long-term comfort. The AV310 is compatible with all NTSC or PAL devices with a video output, including iPods, portable media players, video cameras, cell phones with video output, gaming consoles, digital cameras and DVD players. MSRP \$249.95.

Please see the Buyer's Guide on page 54 for a directory of the companies whose products are included in this feature.

When first impressions count | Winn International Corp.'s Underarm Portfolio is professional panache in brown or black. Made of supple buffalo napa leather, this sleek sleeve, measuring 15.5" x 10" x 7.5", features dual zipper sliders enabling you to open it from either end. An L-shaped zipper opening reveals its smarts with interior organizer with business card slots, three pen holders and six additional card slots, plus room to accommodate letter-size files. Lightweight, versatile and uber functional, with a durable faux leather lining that's easy-to-clean, it makes a statement that is all business. MSRP \$75.
